Good People of Our District

Hitmaan is a well-known farmer in the whole of Palpa district. In addition to growing paddy, wheat and maize, he grows vegetables as well. He grows varieties of fruits and ginger in his steep field. He also keeps cows, buffalos, goats and fowls. He contributes a little of his savings from agriculture and animal rearing to social work. He also lends money to the needy in his neighbourhood. Farmers from different parts of the district come to him to learn about vegetable and fruit farming. He has contributed a good amount of money to establish a higher secondary school in the neighbouring village.

Satni Devi Chaudhary is a social worker in Kailali district. She is famous all over the district. She has formed women's pressure group in many villages of her district. This has helped increasing the income of women. Now, she is active at constructing road to facilitate the goods's access to the market. This road will link the Rural Municipality to the district headquarters. Her conviction "Let us make our place beautiful ourselves" receives wide support.

Hira Maya Nakarmi, an engineer working in our district says, "All must come whatever skill they have with to contribute development." Had she worked in the city, she would have earned a lot of money. But, she preferred to live in village to contribute for it. She is involved in the developmental

works like generating electricity generation from the river, construction canal to bring water for irrigation and school building in the village. This year, she was honoured as the best personality of the district. Many other people do good works in our district. She has set an example for every one to learn about 'development for us and by ourselves.
