A. Study the following note and answer the following questions:

Some of the Folk Dance of Nepal

Tamang Selo:

Tamang Selo is usually performed by the Tamangs. This dance is performed beating a damphu in solo or in a group. This dance is also known as damphu-natch. In Tamang language, this dance is called tam-syaba.

Chutki:

This dance is generally performed by Chhetris, Brahmins, Gurungs and Magars. The Chhetris and Brahmins perform Chutki to the rhythmic beats of Khajjadi.

Dhaan Nach:

This is the dance of Limbus. Young boys and girls hold each other and control each other from side to side and swing their feet in the beat of Chyabrun.

Juhari or Dohori:

This dance is also known as gambling or dual dance. This dance is performed in a group during festivals and fairs and in rohighar.

Maruni Dance:

Maruni is one of the most loved dances in Nepal. A male dancer disguises as a woman. He wears a long frock-like dress.

Lakhe Dance:

Lakhe dance is a very important dance of Nepal. Every year during fall, this dance is performed in the city. It is performed by the Newari community.

Chandi Dance:

This dance is performed by Kirati Rais. They worship Lord Shiva and Goddess Parvati. Chandi dance is performed praying to Lord Shiva and Goddess Parvati for peace and success in the village.

Likewise, there are different dances in Nepal.
