

Riviera International Academy

Assignment-2077

(Jestha 22, 2077, Thursday)

Class: Four

Subject-Computer

1. Answer the following questions:

- a. List the areas where computers are used.
- b. How is computer used in schools and colleges?
- c. How are computers used at homes?
- d. How are computers used in offices?

Subject - Mathematics

Add the Fractions

$$\frac{2}{5} + \frac{1}{5} + \frac{1}{5} = \square$$

$$\frac{7}{20} + \frac{3}{20} + \frac{9}{20} = \square$$

$$\frac{1}{7} + \frac{3}{7} + \frac{2}{7} = \square$$

$$\frac{2}{8} + \frac{3}{8} + \frac{2}{8} = \square$$

$$\frac{5}{17} + \frac{2}{17} + \frac{3}{17} = \square$$

$$\frac{5}{22} + \frac{7}{22} + \frac{9}{22} = \square$$

$$\frac{25}{107} + \frac{70}{107} + \frac{5}{107} = \square$$

$$\frac{8}{45} + \frac{14}{45} + \frac{12}{45} = \square$$

$$\frac{3}{27} + \frac{8}{27} + \frac{14}{27} = \square$$

$$\frac{1}{6} + \frac{2}{6} + \frac{2}{6} = \square$$

$$\frac{3}{10} + \frac{1}{10} + \frac{3}{10} = \square$$

$$\frac{12}{65} + \frac{11}{65} + \frac{10}{65} = \square$$

Subject- Science

Lesson 3

Terrestrial Animals and Their Characteristics

1. Which animals are called herbivorous animals?
2. Which animals are called omnivorous animals?
3. Draw a picture of pigeon and colour it.

Reference: Science E-book Available on School's Website.

The End.
