d. Please do not feed the animals.

Subject - Social Studies

Things Made in Village

Woven baskets are made in our village. Nepali woolen blanket (radi) and typical woolen blanket are found in every house. Dhido and chapatti (bread) provide me energy.

I do not eat biscuits and noodles. For me, fresh apple is tasty and sweet. They are found in my orchard. The junk foods from street vendor induce diseases. If I had money I would

buy only the clothes like dhoti, cholo, daura, suruwal. They are better than the expensive dresses.

Answer these questions:

- a. What types of food should we eat?
- b. What do the junk foods from street vendor induce?

1. What things are grown in your place? Name them.

- (a) Crops
- (b) Fruits:..... ..
- (c) Vegetables

2. Draw a picture of your favourite thing found in your house.

The End.
