

Class: Two

Subject- English

Reading 2

1. Describe what happened as Alice followed the Rabbit into a rabbit-hole.
2. How do we come to know that Alice was getting sleepy and dreamy?

Vocabulary

Sounds and movement

Read the following sentences.

The rabbit *popped down* the rabbit-hole.

'Pop' means to jump suddenly with the sound 'pop'.

The clock *ticked on*.

'Tick' means the sound made as the second hand moves in a clock.

Some words, like 'tick' and 'pop', that show movement also show the sound made during the movement.

1. The words in the box show different kind of sounds and movements. Fill in the blank with suitable words from the box.

rapped clicked tipped chugged tapped

- a. Bobby tapped her feet as she listened to the song.
 - b. The train along the track.
 - c. Ronny a photograph of his mother.
 - d. The teacher the table and asked the children to be quiet.
 - e. She the teapot over and poured the tea out.
2. Fill in the blanks with suitable sound words. A few letters are given as a clue for each word:
