Dear Shanti,  
I am very happy to get your letter today. I was interested to hear about your festival and how you are looking forward to it, when is it celebrated? Is it on the same day each year? Where do you celebrate it? What special things do you do? Why do you celebrate it? I am busy working for my exams. I will write again when I finish them all. Greetings to all your family members.  
Yours  
Nina
